Hi Roger, Kevin, and Matt,

I am forwarding this because you were not copied on the attached. I am at home sick, but calling in for some meetings. I am letting you know, so you don't expect me to be very responsive as I am heading back to bed shortly.

Talk to you later,
Jenny

Regina,

Excellent. Thank you and everyone for helping to put all of this together.

Ex. 5 Deliberative Process (DP)

I'd appreciate it if you would please let me know how we should proceed with these preliminary planning tasks.

Thank you very much,

Andy

Lisa,

Here is the final version of our R3&R5 RARE Project Plan requiring your signature.

If you would please sign this and return it to Regina Poeske when you are able we will be able to begin the project.

Please let me know if you have any questions.

Thank you very much,

Andy

Andy,

Attached is the final project plan that needs your and Lisa Baxter's signatures (electronic). I need this asap so if you could get to me today that would be ideal. Thanks.

Hi Pat,

I left a hard copy of the RARE grant workplan for the PFAS near the DuPont and Chemours' facility in West Virginia in your inbox, but Region 3 would like you to sign it electronically. You should be able to sign the attached document in Adobe. If you can't, please call Carole Braverman. After you sign it, please e-mail a copy to Carole and me.

Thank you,
Jenny
